

Oh My God!

Okay, Jim Houlihan, you have officially creeped us all out and we are NOT easy to creep out. Talk about dedication, Jim is the curator of the exhibit at the Irish Arts Center in NYC and he went to Ireland and brought back Dan Donnelly's arm. Remember the BCN article a couple of months back? Well Dan's arm was in a pub in Ireland (presumably one that does NOT offer beef jerky as bar food) and now you will be able to see it this Fall. You can put it down now, Jim, and please go wash your hands.

Seriously, congratulations, Jim. Let's give Jim a hand, er, never mind.
